CURRICULUM VITAE

QUALIFICATIONS

Qualifying degree

BDS Bachelor of Dental Surgery. University of London. 1964.

Postgraduate qualifications awarded by examination or thesis

MGDSRCS. Member in General Dental Surgery. Royal College of Surgeons of England. 1979.
DRDRCS. Diploma in Restorative Dentistry. Royal College of Surgeons of Edinburgh. 1981.
Dip F Od. Diploma in Forensic Dentistry. London Hospital Medical College. 1986.
LLM. Master of Laws (Legal aspects of medical practice). University of Wales. 1992.

CLINICAL PRACTICE

General dental practitioner in private practice in the West End of London who from 1968 has provided all aspects of general practice treatment, with a special interest in advanced restorative techniques. Commissioned papers have been published in the dental literature on this subject.

Accredited Specialist in Restorative Dentistry by the General Dental Council, there being approximately 350 dentists on this Specialist List out of more than 30,000 registered dentists in the UK.

MEDICO-LEGAL PRACTICE

This service has been provided since 1985 and currently a minimum of five sessions per week is devoted exclusively to medico-legal practice. Instructions are received on approximately 150 new matters per year, including numerous instructions as joint expert.

Expert evidence is provided for cases of dental clinical negligence encompassing all facets of dental practice and treatment, in addition to civil and criminal actions for personal injury involving damage to the dental tissues.

Criminal cases involving bite mark analysis and identification, and other matters requiring formal training in Forensic Odontology are undertaken including attendance at Court when required.

Contracted Consultant Forensic Odontologist to Kenyon International Emergency Services to assist in the identification of disaster victims.

Registered Forensic Practitioner (Odontology) by the Council for the Registration of Forensic Practitioners..

Lectures on dental negligence have been presented to dentists and to legal practitioners specialising in this field, and articles relating to this subject have been published in legal and dental journals.
