

Odontology, Implantology, Specialist in Restorative Dentistry

Residence:

Plas Canol Llanybri Carmarthenshire SA33 5HJ

Summary and current situations:

Dr Keith Marshall is a GDC Accredited Specialist in Restorative Dentistry and a Fellow by Examination of the Faculty of General Dental Practice at the Royal College of Surgeons, England. Previously a Consultant/Sen.Lecturer at Kings College Hospital School of Medicine and Dentistry in South East London, with life-long experience in clinical dentistry and an interest in medical and dental education evidenced by a research based doctorate and specialist private practice in Limpsfield Chart, Surrey over many years. Resident in Carmarthenshire where he advises and mentors Primary Care practitioners at all stages of professional development on treatment planning complex cases and during study for postgraduate degrees. Regularly provides seminars and tutorials to young practitioners at DF1 and DCT stages of their careers, throughout Wales. His PhD doctoral thesis topic was concerned with the assessment of standards in primary care NHS and other modalities of general dental practice.

- Has provided in the last 2 years more than 50 expert reports in General and Restorative Dentistry- mainly for the prosecution- to both General Dental Council Fitness to Practice hearings, and to individual malpractice claims via solicitor instructions.
- Dr Marshall attends regular CPD programmes relevant to the role of the Expert Witness and is a member of the National Association of Expert Witnesses (NEWA).
